Stronger Families Alliance Newsletter Feb 2013

» Thursday, 21 February 2013

[Forward](#) [Unsubscribe](#) [View in browser](#)

Welcome to the Stronger Families Alliance newsletter

This term's newsletter focuses on our five School Centred Community Hubs.

The Hubs work with 13 primary schools across the Blue Mountains. The Hubs cover the villages of Blaxland, East Blaxland, Winmalee, Hazelbrook, Lawson, Katoomba, Nth Katoomba, Blackheath and Mt Victoria. Families out of these areas are welcome to join the Hub closest to them.

Hubs offer families a one stop shop place to access community connections, friendship, professional support, early childhood programs and child friendly community events.

Also featured below is the upcoming workshop on Positive Education - Bringing positive psychology approaches to schools in the Blue Mountains.

Lower Mountains School Hub

Three supported playgroups a week in three different schools. Check out the dates and place. [Read more »](#)

Winmalee School Hub

Playgroups, parent groups, sensitive referral to other services and activities for pre-scholars all offered through the Winmalee Public School [Read more »](#)

Mid Mountains School Hubs

A huge range of programs for children and parents offered through mid mountains locations and primary schools. This term's program includes bushwalking, supported playgroups, self defence and relaxation workshops, babytime and a school holiday program over Easter. [Read more »](#)

Katoomba School Hubs

The highlights of this term's program includes Circle of Security Parenting Program, a workshop of cybersafety, and a music program for preschoolers. [Read more »](#)

Blackheath Mt Victoria Hubs

The Blackheath Mt Victoria Hub will launch a new bike to school program this term which includes bike lessons, road safety, bike decorating and much more. [Read more »](#)

Positive Schools: Positive Psychology in Education Workshop

This term [Positive Education Workshop](#) for schools. Facilitated by the Positive Psychology Institute this workshop will examine the emerging evidence about how to apply positive psychology and strengths based approaches to schools. Registration forms available [here](#).
