## The Stronger Families Alliance

  
Stronger Families Alliance

### A new way of working together

- Early brain development and early intervention
- Changes in society and family life
- The link between children’s rights to care, education and protection and the communities long-term economic and social development

  
Stronger Families Alliance

### Purpose

To create a vibrant community where child, family and community organisations work together with one aim – maximising the wellbeing and resilience of children and their families.

  
Stronger Families Alliance

### Small beginnings

- The Alliance began with a partnership between Blue Mountains City Council, Mountains Community Resource Network and the Families First Service Network project.
- The intention of the partnership was to set up the Stronger Families Planning Group.
